The Delaware Department of Transportation (DelDOT) is holding a public workshop to solicit public input on the proposed Road Diet along Memorial Drive that was recommended in WILMAPCO's Route 9 Corridor Master Plan. The Public Workshop will be held on Tuesday, November 13 at the Route 9 Library & Innovation Center, Multipurpose Room A at 3022 New Castle Ave, New Castle, DE. The public is invited to attend anytime between 4:00 p.m. and 7:00 p.m.

The purpose of the road diet is to help encourage slower speeds, promote multi-modal usage, and shorten pedestrian crossing distances without significant impacts to operations or safety. Attendees will have an opportunity to review the traffic information and proposed improvement and provide comments to DelDOT representatives.

Interested persons are invited to express their views in writing, giving reasons for, or in opposition to, the proposed project. Comments will be received during the workshop or can be mailed to DelDOT Community Relations, P.O. Box 778, Dover, DE 19903 or sent via email to [dotpr@state.de.us](mailto:dotpr@state.de.us).

This location is accessible to persons having disabilities. Any person having special needs or requiring special aid, such as an interpreter for the hearing impaired, is requested to contact DelDOT by phone or mail one week in advance. Please contact DelDOT Community Relations at 1-800-652-5600 (in DE) or 302-760-2080 or write to the above address.
